# Framery Subscribed™

## Flexible and carefree

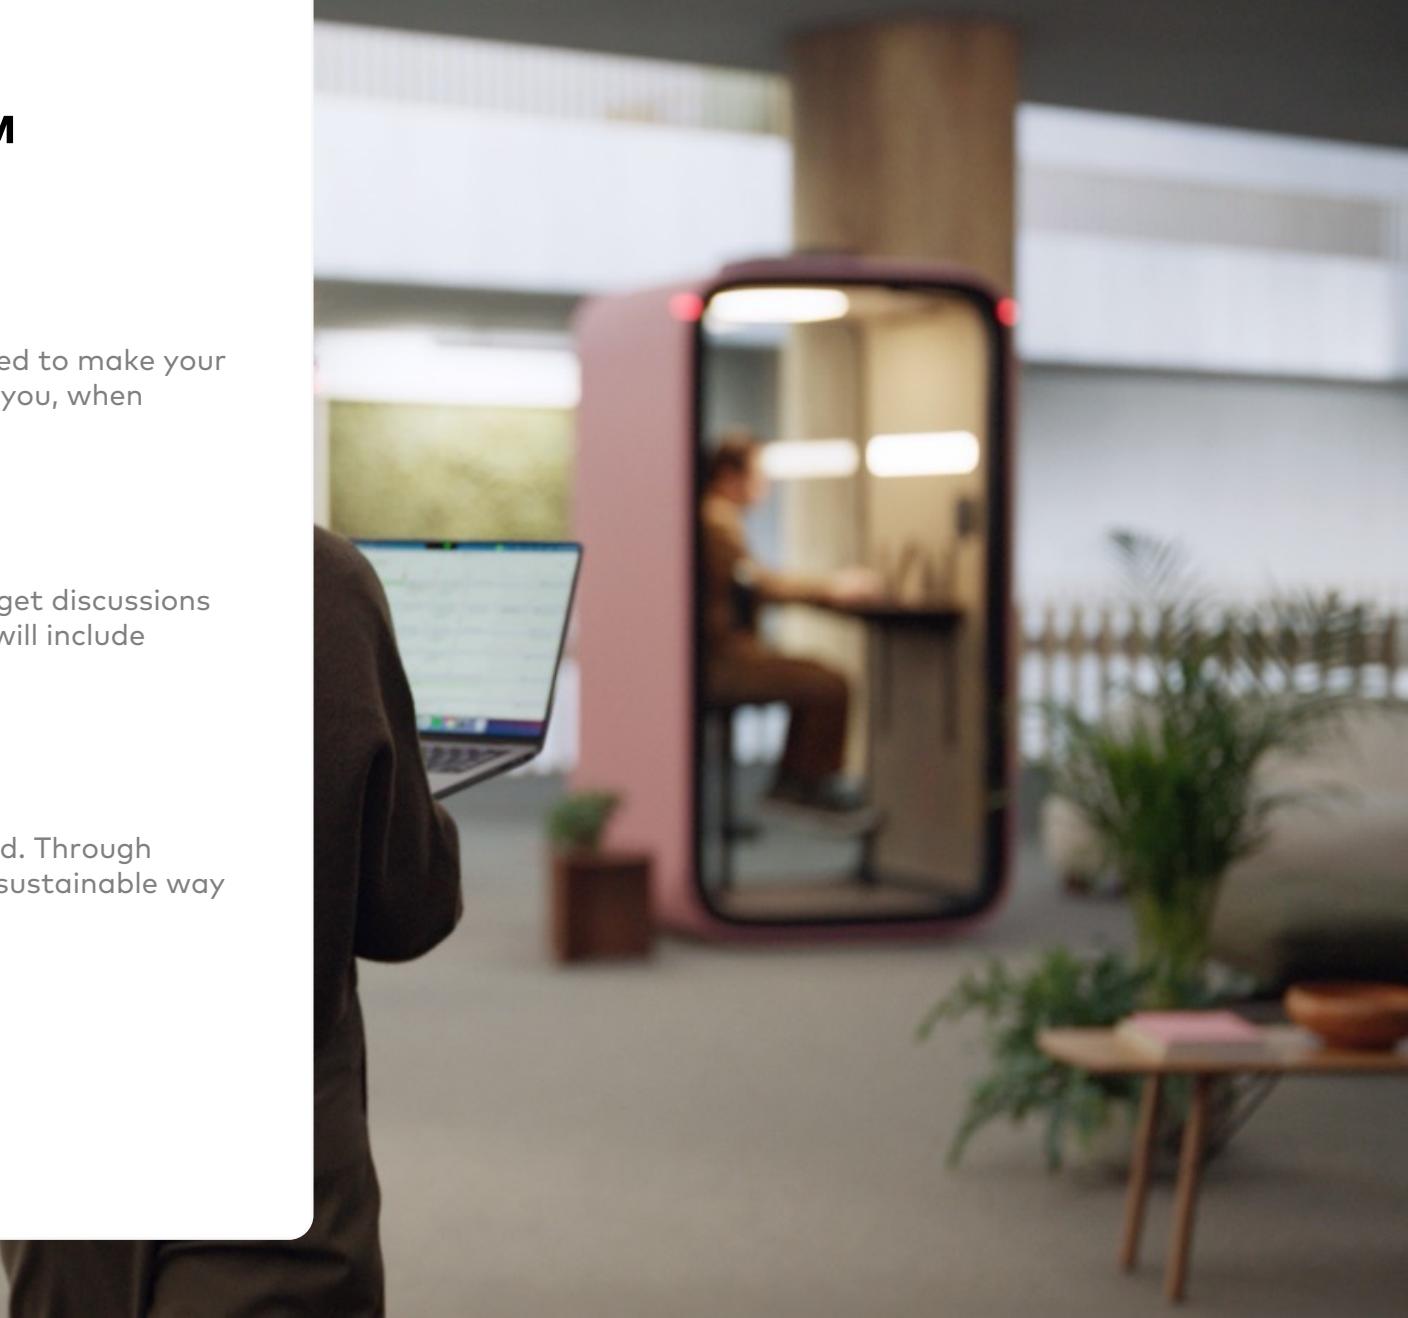

Growing businesses and changing business needs? Excited to make your workplace better? Framery Subscribed is adapting with you, when needed.

## Easy

Rent your pod with a monthly fee without constant budget discussions and focus on the important work matters. Monthly fee will include everything you need in one package.

## Sustainable

Framery pods are the most sustainable pods in the world. Through Subscribed service model they will get used in the most sustainable way and many customers get to enjoy the reusable pods.

# Service descriptions

## Ready-to-use Framery pods with a monthly fee

Framery pods are delivered and installed by local certified Framery partner. Some Subscribed pods may have had a previous life in another office - but we always ensure that the pod is fully refurbished and like-new when delivered.

## Lifetime Warranty & On-Demand Service

We guarantee that your Framery pod is in excellent condition during the whole Framery Subscribed subscription. If any service is needed, call us and it will be handled.

## Smart Office Solutions

Framery Smart Office solutions are included in your monthly fee. You can for example integrate your Smart Pods into Google or Microsoft calendars for easy booking and in addition monitor the usage of the pods through Framery Connect.
